使徒行传 10: 24 - 38

主要成果

本次每周圣经学习课程涵盖了使徒行传第 10 章 (24-38 节)，重点讨论了神如何同时预备彼得和罗马百夫长哥尼流来接受和传扬福音。核心神学主题是：救恩向所有人开放，无论种族或文化背景如何，并且神使用人类器皿——而非天使——来传播福音。课程最后进行了问答环节，讨论了第 30 节中向哥尼流显现的人物是天使、圣灵还是道成肉身前的基督。

圣经内容涵盖：使徒行传 10:24-38

背景和人物

- **两个主要人物**：彼得（犹太使徒）和哥尼流（罗马百夫长，外邦人）。
- 神同时在两个人身上做工——预备哥尼流接受福音，并转变彼得的文化偏见，使他能够传讲福音。
- 哥尼流被描述为虔诚、敬畏神、慷慨济贫、顺服——这些品质使他成为接受福音的好土，但**善行本身不能拯救一个人**。

彼得的异象和文化障碍（上周内容背景）

- 彼得看到洁净和不洁净动物在布上的异象，这是外邦人被接纳的**神圣预示**：神宣告万物都洁净了，表明外邦人不应被视为在灵性上不洁净。
- 犹太传统（而非旧约圣经本身）错误地禁止与外邦人社交，将他们视为不洁净——这是**人类文化的误解**，而非圣经的命令。
- 旧约实际上呼召以色列成为**万国的祝福和光**，而非与他们隔离；限制仅针对采纳异教宗教习俗（如偶像崇拜、与异教徒通婚）可能导致虚假崇拜的行为。

哥尼流的顺服和款待（24-29 节）

- 哥尼流召集了**所有亲属和密友**来听彼得讲道，表明他确信神的信息是值得集体分享的祝福。

- 彼得进入外邦人家中是一个文化上的革命性行为——犹太传统所禁止的——只有通过他对异象的部分理解才成为可能。
- 彼得问哥尼流：“请问你为什么派人来请我？”——这是一种刻意的牧养模式，即在事工前邀请人们口头表达他们的需要和信心。
 - 耶稣在医治前使用同样的模式（例如：“你要我为你做什么？”）。
 - 彼得在圣殿门口医治瘸腿的人时也使用了这种方法。
 - 目的：使接受者主动参与过程而非被动接受，并向所有在场见证者阐明神的工作。

哥尼流的见证（30-33 节）

- 哥尼流讲述了四天前下午 3 点（第九时——传统的犹太祷告时间）看到一个穿着闪亮衣服的人，确认他的祷告被听见，他的慈善行为被神认可。
- 天使对哥尼流祷告和慈善的肯定并不意味着他已经得救——没有人仅凭善行得救。
- 哥尼流在收到神的信息后立即顺服——没有犹豫或拖延。
- 哥尼流对彼得愿意进入外邦人家中表示感激，承认这在文化上很困难，并宣告：“*我们在神面前，要听主所吩咐你的一切话。*”

彼得的宣讲（34-38 节）

- 彼得宣告：“神不偏待人”——这是通过异象和相遇逐步达到的更深理解。
 - 神按内心判断——谦卑、渴慕和顺服——而非按种族、国籍、社会地位、财富或宗教传统。
- 彼得宣告藉着耶稣基督而来的平安，指出平安的两个维度：
 - 纵向的平安：人类与神之间的和好（罪得赦免，结束与神的敌对）
 - 横向的平安：人与人之间的和好（犹太人与外邦人、邻舍、国家）
- 历史注释：所有人类和平条约和协议最终都失败了，因为它们缺乏神作为根基。
- 彼得称耶稣为“万有的主”——不仅是以色列的主，也是万国的主。
 - 这是对罗马帝国宣称凯撒是“万有的主”的直接挑战，使得向罗马百夫长宣讲这一信息特别大胆。
- 第 38 节：彼得解释“基督”（希腊文）=“弥赛亚”（希伯来文）=“受膏者”——神用圣灵和能力膏抹耶稣。

关键神学应用

- **神改变人；人类是器皿**：哥尼流和彼得的转变都是神的工作。牧师、宣教士和教会只是管道——神自己是救恩的施行者。
- **个人界限必须被打破**：每个信徒都有文化、种族或个人界限，限制他们对他人的事工。神呼召信徒打破这些障碍——就像彼得打破犹太文化的墙——去爱、接纳和服事与自己不同的人。
- **神使用人类见证人**：虽然神本可以通过天使直接传递福音，但他选择了彼得——展示了使用人类见证人传扬福音的一贯神圣原则。

问答要点

问 (Dr.) : 在第 30 节中，哥尼流看到"一个穿着闪亮衣服的人"——

这是圣灵、天使，还是道成肉身前的基督（如旧约中与亚伯拉罕相遇的那位）？

答 (LJM) :

- 在旧约中，"耶和华的使者"通常指三位一体的第二位（道成肉身前的基督），他以自己的权柄说话。
- 在新约中，天使的显现是真正的天使——神差遣的使者，而非以自己的神圣权柄行事。
- 区分标记：（1）当耶稣显现时，他以**自己的权柄**说话；天使只作为被差遣的使者行事。
（2）路加使用**不定冠词**（"一个人"）而非**定冠词**，表明这是普通的天使，而非耶稣。
- 此外，在异象中遇见耶稣的人总是在相遇结束时认出他是神（例如："我看见了神的面"）。哥尼流只将这个人物认定为天使——而非弥赛亚——证实这不是基督显现。
- 圣灵没有可见的形体；这里的人物有物理外观，排除了圣灵的可能性。

Acts 10:24 - 38

Key Outcomes

This weekly Bible study session covered Acts Chapter 10 (verses 24–38), focusing on God's simultaneous preparation of both Peter and the Roman centurion Cornelius to receive and proclaim the Gospel. The central theological theme was that salvation is available to all people regardless of ethnicity or cultural background, and that God uses human instruments — not angels — to spread the Gospel. The session concluded with a Q&A addressing whether the figure appearing to Cornelius in verse 30 was an angel, the Holy Spirit, or a pre-incarnate Christ.

Biblical Content Covered: Acts 10:24–38

Setting and Characters

- **Two main characters:** Peter (Jewish apostle) and Cornelius (Roman centurion, Gentile). 7
- God worked **simultaneously** on both figures — preparing Cornelius to receive the Gospel and transforming Peter's cultural prejudices to enable him to deliver it. 8
- Cornelius was described as devout, God-fearing, generous to the poor, and obedient — qualities that made him receptive soil, though **good works alone cannot save a person.** 910

Peter's Vision and Cultural Barrier (Context from Prior Week)

- Peter's vision of clean and unclean animals on a sheet was a **divine foreshadowing** of Gentile inclusion: God declared all things clean, signaling that Gentiles should not be considered spiritually unclean. 11
- Jewish tradition (not Old Testament scripture itself) had wrongly forbidden social interaction with Gentiles, treating them as unclean — a **human cultural misinterpretation**, not a biblical mandate. 12

- The Old Testament actually called Israel to be a **blessing and light to all nations**, not to isolate from them; restrictions were only against adopting pagan religious practices (e.g., idol worship, intermarriage with pagans) that could lead to false worship. 13

Cornelius's Obedience and Hospitality (Verses 24–29)

- Cornelius gathered **all his relatives and close friends** to hear Peter, demonstrating his conviction that God's message was a blessing worth sharing collectively. 14
- Peter entering a Gentile's house was a **culturally revolutionary act** — forbidden by Jewish tradition — made possible only through his partial understanding of the vision. 15
- Peter asked Cornelius, *"May I ask why you sent for me?"* — a deliberate pastoral pattern of **inviting people to verbally express their need and faith** before ministry. 16
 - Jesus used the same pattern before healings (e.g., *"What do you want me to do for you?"*). 17
 - Peter also used this approach when healing the crippled man at the temple gate. 18
 - Purpose: draws the recipient **actively into the process** rather than passive reception, and clarifies God's work to all witnesses present. 1920

Cornelius's Testimony (Verses 30–33)

- Cornelius recounted seeing a man in **shining clothes** at 3 p.m. (the ninth hour — a traditional Jewish prayer time) four days prior, affirming his prayer was heard and his charitable acts were recognized by God. 2122
- The angel's affirmation of Cornelius's prayers and charity did **not** mean he was already saved — no one is saved by good deeds alone. 10
- Cornelius acted with **immediate obedience** upon receiving God's message — no hesitation or delay. 23
- Cornelius expressed appreciation for Peter's willingness to enter a Gentile home, acknowledging it was culturally difficult, and declared: *"We are all here in the presence of God to hear everything the Lord has commanded you."* 24

Peter's Proclamation (Verses 34–38)

- Peter declared: **"God does not show favoritism"** — a deepened understanding reached progressively through the vision and encounter. 25
 - God judges by the heart — humility, hunger, and obedience — not by ethnicity, nationality, social status, wealth, or religious heritage. 26

- Peter proclaimed **peace through Jesus Christ**, identifying two dimensions of peace: 2728
 - **Vertical peace:** Reconciliation between humanity and God (forgiveness of sin, ending enmity with God)
 - **Horizontal peace:** Reconciliation between peoples (Jewish and Gentile, neighbors, nations)
- Historical note: All human peace treaties and agreements have ultimately failed because they lacked God as their foundation. 29
- Peter identified **Jesus as "Lord of all"** — not merely Lord of Israel, but of all nations. 30
 - This was a direct challenge to Roman imperial claims that Caesar was "Lord of all," making the proclamation particularly bold when addressed to a Roman centurion. 31
- Verse 38: Peter explained that **"Christ" (Greek) = "Messiah" (Hebrew) = "Anointed One"** — God anointed Jesus with the Holy Spirit and power. 32

Key Theological Applications

- **God changes people; humans are instruments:** The transformation in both Cornelius and Peter was God's work. Pastors, missionaries, and churches are merely channels — God himself is the agent of salvation. 3334
- **Personal boundaries must be broken:** Every believer carries cultural, ethnic, or personal boundaries that limit their ministry to others. God calls believers to break these barriers — as Peter broke Jewish cultural walls — to love, accept, and serve people different from themselves. 35
- **God uses human witnesses:** Although God could have delivered the Gospel through the angel directly, he chose Peter — demonstrating the consistent divine principle of using human witnesses for Gospel proclamation. 23

Q&A Highlights

Q (Dr.): In verse 30, Cornelius sees "a man in shining clothes" — is this the Holy Spirit, an angel, or a pre-incarnate Christ (as with Abraham in the Old Testament)? 2

A (LJM):

- In the **Old Testament**, the "Angel of the Lord" often referred to the **second person of the Trinity** (pre-incarnate Christ), who spoke with his own authority. 36

- In the **New Testament**, angelic appearances are literal angelic beings — messengers sent by God, not acting with their own divine authority. 36
- Distinguishing markers: (1) When Jesus appeared, he spoke with **his own authority**; angels act only as sent messengers. (2) Luke's use of the **indefinite article** ("a man") rather than a definite article signals an ordinary angelic being, not Jesus. 37
- Additionally, **those who encountered Jesus in visions always recognized him** as God by the end of the encounter (e.g., "I have seen God's face"). Cornelius identified the figure only as an angel — not as the Messiah — confirming it was not a Christophany. 38
- The Holy Spirit has no visible form; the figure here had physical appearance, ruling out the Holy Spirit. 2
