《使徒行传》4:32-5:11, 2026-05-30

主要成果

本次学习涵盖了使徒行传 4:32-

5:11，对比了巴拿巴真诚的慷慨与亚拿尼亚和撒非喇致命的欺骗。研究强调他们的罪不在于保留金钱，而在于向圣灵说谎，并探讨了当今教会援助的原则。

学习内容

早期教会的团契生活

- 使徒行传 4:32-35：描述了转变后的基督徒群体分享财物、满足彼此需要的情况
- 历史背景：许多耶路撒冷的基督徒在五旬节后以难民身份生活，造成了暂时性的团契支持需求
- 巴拿巴的介绍：被称为"劝慰之子"，变卖了所有财产并将一切捐献给使徒

当今教会援助的原则

来自保罗教导的圣经准则（提摩太前书 5 章）：

- 工作要求：有劳动能力的信徒应当勤奋工作，不依赖教会支持
- 家庭责任优先：亲属应在教会援助之前提供初步帮助
- 属灵关系优先：帮助不仅涉及经济援助——建立属灵团契和相互关系至关重要
- 生活方式考量：对于长期支持，教会必须审查个人的生活方式、声誉以及是否愿意接受属灵指导
- 基本需求为重：教会援助针对基本生活需求，而非奢侈品

亚拿尼亚和撒非喇的罪（使徒行传 5:1-11）

欺骗行为：

- 这对夫妇卖了田产，但暗中保留了部分收益，却声称捐献了全部金额
- 动机：嫉妒巴拿巴所得的荣誉和尊重；渴望得到同样的赞美却不愿真正牺牲

彼得的质问：

- 田产在卖出前后都属于他们——部分奉献是可以接受的

- 真正的罪：向圣灵说谎，而非向人说谎；通过虚伪欺骗神
- 两人在彼得揭露他们的欺骗后立即死亡

为何立即施行神圣审判？

奠基时期的原因：

- 早期教会处于奠基阶段，需要稳固的建立
- 当时还没有完整的圣经来指导信徒分辨是非
- 圣灵通过神迹、奇事和严厉的管教大有能力且明显地工作
- 立即的审判向新生教会展示了神的圣洁和罪的严重性

结果：极大的惧怕临到全教会，产生了对神圣洁的敬畏意识——

不是恐惧，而是严肃地认识到信仰需要真诚

首次使用"教会"一词

- 使徒行传 5:11 标志着"教会"（希腊文：ekklesia）一词在使徒行传中的首次出现
- 含义：被神呼召出来、有共同目标的一群人，而非物理建筑

神学讨论

提出的问题：亚拿尼亚和撒非喇失去救恩了吗？

分享的观点：

- 存在类似案例（例如，触摸约柜的人立即死亡）
- 肉体死亡的惩罚不一定意味着失去救恩
- 无法判断永恒的命运——只有神知道他们的内心
- 经文重点：强调罪的严重性和神的圣洁，而非永恒的审判
- 基督徒可能面临管教或试炼而不失去救恩（约伯的例子）

行政更新

Jane 的时间安排变更：

- 请求每月缺席一次周六聚会，以参加粤语教会聚会
- 将提前通知；正在寻找潜在的替代人选

小组沟通：关于微信群访问的讨论——Jane 在众多对话中难以找到该群

下一步计划

- 下周六不上课：LJM 外出旅行
- 学习将在两周后恢复

Logos Meeting

Acts 4:32-5:11, 2026-05-30

Key Outcomes

This session covered Acts 4:32-5:11, contrasting Barnabas's genuine generosity with Ananias and Sapphira's fatal deception. The study emphasized that their sin was not withholding money but lying to the Holy Spirit, and explored principles for church assistance today.

Study Content Covered

Early Church Community Life

- **Acts 4:32-35:** Described the transformed Christian community sharing possessions and meeting each other's needs
- **Historical context:** Many Jerusalem Christians lived as refugees after Pentecost, creating temporary necessity for communal support
- **Barnabas introduced:** Known as "son of encouragement," sold all possessions and donated everything to the apostles

Principles for Church Assistance Today

Biblical guidelines from Paul's teachings (1 Timothy 5):

- **Work requirement:** Able-bodied believers expected to work diligently, not rely on church support
- **Family responsibility first:** Relatives should provide initial help before church assistance
- **Spiritual relationship priority:** Help involves more than financial aid—building spiritual fellowship and mutual relationships is essential
- **Lifestyle consideration:** For long-term support, church must examine person's lifestyle, reputation, and willingness to submit to spiritual guidance
- **Basic needs focus:** Church assistance targets basic living requirements, not luxury

Ananias and Sapphira's Sin (Acts 5:1-11)

The deception:

- Couple sold property but secretly kept part of proceeds while claiming to donate full amount
- **Motivation:** Jealousy of Barnabas's honor and respect; desired same praise without genuine sacrifice

Peter's confrontation:

- Property belonged to them before and after sale—partial giving was acceptable
- **The actual sin:** Lying to the Holy Spirit, not to men; deceiving God through hypocrisy
- Both died immediately after Peter exposed their deception

Why Immediate Divine Judgment?

Foundational period reasoning:

- Early church was in foundational stage requiring solid establishment
- No complete Scripture yet to guide believers on right versus wrong
- Holy Spirit worked powerfully and visibly through signs, wonders, and severe discipline
- Immediate judgment demonstrated God's holiness and seriousness of sin to new church

Result: Great fear seized whole church, creating reverent awareness of God's holiness—not terror but serious recognition that faith requires genuine sincerity

First Use of "Church" Term

- Acts 5:11 marks first appearance of word "church" (Greek: ekklesia) in Acts
- **Meaning:** Group of people called out by God with common purpose, not a physical building

Theological Discussion

Question raised: Did Ananias and Sapphira lose salvation?

Perspectives shared:

- Similar cases exist (e.g., man who touched Ark of Covenant died immediately)
- Physical death penalty doesn't necessarily mean loss of salvation
- Cannot judge eternal destiny—God alone knows their hearts
- **Passage focus:** Emphasizes severity of sin and God's holiness, not eternal judgment
- Christians can face discipline or testing without losing salvation (Job example) 51

Administrative Updates

Jane's schedule change:

- Requesting to miss one Saturday meeting per month for Cantonese church gathering
- Will provide advance notice; looking for potential replacements

Group communication: Discussion about WeChat group access—Jane had difficulty locating group among many conversations

Next Steps

- **No class next Saturday:** LJM traveling out of town 8
- Study will resume in two weeks
