

使徒行传第一章学习会议详细总结

日期：2026 年 2 月 28 日

一、耶稣升天与圣灵降临的应许

Guk 带领大家学习了使徒行传第一章，重点讲解了耶稣升天前关于圣灵降临的应许。他强调圣灵降临的核心目的是推动福音的传播——

从耶路撒冷开始，延伸到犹太全地和撒玛利亚，最终传遍全世界。

二、橄榄山的地理与属灵意义

Guk 详细解释了耶稣选择在橄榄山升天的原因：

- 地理位置：橄榄山距离耶路撒冷约 2 公里，地势较高，便于向门徒传达圣灵将在耶路撒冷降临的指示
- 象征意义：耶路撒冷作为圣城和大卫之城具有重要的属灵象征
- 个人意义：橄榄山是耶稣经常祷告的地方，是他与天父保持亲密关系的重要场所
- 历史背景：橄榄山也是耶稣被出卖和受难的地方，Gethsemane（客西马尼，意为“橄榄压榨场”）象征着耶稣为救赎人类所承受的苦难和压力

三、升天前的祷告聚会

Guk 讲解了耶稣升天后门徒的聚集情况：

- 参与人数：约 120 人，包括 11 位使徒（犹大已被排除）、耶稣的母亲和兄弟们
- 信仰转变：Guk
特别提到耶稣的兄弟们起初并不相信他，但在耶稣复活和升天后发生了信仰上的转变

四、圣灵在彼得心中的工作

Guk 分析了圣灵在五旬节之前就已经在门徒中工作，特别是在彼得身上的两个重要作用：

1. 带来救恩的内住
2. 赋予传福音的能力

他指出彼得能够智慧地引用旧约圣经，并对犹大卖主和耶稣的预言有深刻理解，这都是圣灵启示的结果，体现了神的预先计划和旨意。

五、路加的写作特点

Guk 解释了使徒行传 18-19 节中颜色变化和括号标记的原因：

- 这些是作者路加为外邦读者提阿非罗添加的注释
- 路加作为医生，提供了关于犹大死法的详细描述，展现了他的专业背景
- 当时耶路撒冷的信徒已经了解这些情况，但外邦读者需要额外的解释

六、神的主权与预言的应验

Guk 强调彼得在第 20

节引用诗篇的预言，说明神对未来事件的计划和主权。他用导演安排剧本的比喻来说明神如何预先安排历史进程。

七、使徒选举的条件与过程

Guk 详细讲解了选举新使徒的两个关键条件：

1. 必须从施洗约翰开始到耶稣升天的整个期间都与耶稣在一起
2. 必须亲眼见证耶稣的复活和升天

他特别强调：

- 领导能力不是来自教育背景或个人经验，而是来自圣灵的启示和感动

- 神使用的人不是基于教育水平或出身背景，而是基于他们愿意听从神的引导和接受圣灵充满

八、使徒的角色与重要性

Guk 澄清了关于使徒的几个重要概念：

- 使徒不仅限于 12 个门徒，还包括提摩太、保罗等人，总共约有 50 位使徒
- 使徒在早期教会中的核心作用是建立教会的根基
- 当时还没有新约圣经，教会结构和教义都很新，存在许多混乱和分歧，使徒的角色至关重要
- 选举过程：有两位候选人 Bar Sabas 和马提亚，最终通过祷告和抽签的方式确定

九、旧约与新约时期神启示方式的差异

Guk 对比了两个时期神启示方式的不同：

- 旧约时期：圣灵的启示较为有限，人们需要通过祷告和抽签等外在方式了解神的旨意
- 新约时期：随着圣灵降临，神与人直接同在，通过内心的启示让人明白神的心意

十、神的主权与人的自由意志

针对关于神主权和个人自由意志的疑问，Guk 做了深入的解释：

神的全知但不控制

- 神知道一切，拥有无限的智慧和权能
- 但神不控制每一个决定，给人自由意志
- 人不应该被看作是被神像机器一样控制的工具

人的角色：神的同工而非机器人

- 神选择人作为合作伙伴，而不是机器人
- 人必须通过祈求和遵循神的命令来参与神的工作
- 神通过 sanctification（成圣）过程来转化和改造人
- 神不希望我们成为自动机器人，而是通过困难和经历来成长

救赎与成圣的过程

Guk 强调救赎不仅仅是教育的过程，而是需要 sanctification 和个人行动来实现。他指出：

- 神创造的是拥有自由意志和生命的孩子，而不是机器人
- 神通过生活中的困难和低谷来更新和锻造生命（如同金子的锻造过程）
- 基督徒的角色是神的朋友和同工
- 需要通过阅读圣经和祷告来了解神的计划和心意

十一、时间与永恒的视角

Guk 用足球比赛的比喻来说明神与人在时间维度上的不同：

- 人类受时间限制，在"比赛"中需要努力奋斗
- 神超越时间框架，知道"比赛"的结果
- 但这并不意味着人在过程中不需要努力
- 人生是螺旋上升的过程，会有高峰和低谷，但总体方向是向上，越来越靠近神

Detailed Summary of Acts Chapter 1 Study Session

I. Jesus' Ascension and the Promise of the Holy Spirit

Guk led the study of Acts Chapter 1, focusing on Jesus' promise of the Holy Spirit before his ascension. He emphasized that the core purpose of the Holy Spirit's coming was to advance the spread of the gospel—starting from Jerusalem, extending to all Judea and Samaria, and ultimately reaching the entire world.

II. Geographic and Spiritual Significance of the Mount of Olives

Guk provided detailed explanations for why Jesus chose the Mount of Olives for his ascension:

- **Geographic Location:** The Mount of Olives is about 2 kilometers from Jerusalem, at a higher elevation, making it convenient to convey to the disciples that the Holy Spirit would descend in Jerusalem
- **Symbolic Meaning:** Jerusalem as the Holy City and City of David holds important spiritual symbolism
- **Personal Significance:** The Mount of Olives was Jesus' frequent prayer location, an important place where he maintained intimate relationship with the Father
- **Historical Background:** The Mount of Olives was also where Jesus was betrayed and suffered; Gethsemane (meaning "olive press") symbolizes the suffering and pressure Jesus endured for human redemption

III. Prayer Gathering Before the Ascension

Guk explained the gathering of disciples after Jesus' ascension:

- **Number of Participants:** About 120 people, including 11 apostles (Judas had been excluded), Jesus' mother, and his brothers
- **Faith Transformation:** Guk particularly noted that Jesus' brothers initially did not believe in him, but experienced a faith transformation after Jesus' resurrection and ascension

IV. The Holy Spirit's Work in Peter's Heart

Guk analyzed how the Holy Spirit was already working among the disciples before Pentecost, particularly in Peter, with two important functions:

1. Bringing the indwelling of salvation

2. Empowering for gospel work

He pointed out that Peter's ability to wisely quote Old Testament scriptures and deeply understand Judas' betrayal and Jesus' prophecies were results of the Holy Spirit's revelation, demonstrating God's foreordained plan and will.

V. Luke's Writing Characteristics

Guk explained the reasons for color changes and parenthetical marks in Acts 18-19:

- These were annotations added by author Luke for the Gentile reader Theophilus
- Luke, as a physician, provided detailed descriptions of Judas' death, showcasing his professional background
- The believers in Jerusalem already knew these circumstances, but Gentile readers needed additional explanation

VI. God's Sovereignty and Fulfillment of Prophecy

Guk emphasized Peter's quotation of Psalms prophecy in verse 20, illustrating God's plan and sovereignty over future events. He used the analogy of a director arranging a script to explain how God pre-arranges the course of history.

VII. Conditions and Process for Apostolic Election

Guk detailed the two key conditions for electing a new apostle:

1. Must have been with Jesus throughout the entire period from John's baptism to Jesus' ascension
2. Must have personally witnessed Jesus' resurrection and ascension

He particularly emphasized:

- Leadership ability does not come from educational background or personal experience, but from the Holy Spirit's revelation and inspiration
- God uses people not based on education level or birth background, but based on their willingness to follow God's guidance and receive the Holy Spirit's filling

VIII. Role and Importance of Apostles

Guk clarified several important concepts about apostles:

- Apostles were not limited to the 12 disciples, but also included Timothy, Paul, and others, totaling about 50 apostles

- The core role of apostles in the early church was to establish the church's foundation
- At that time, there was no New Testament, church structure and doctrine were new, with much confusion and disagreement, making the apostles' role crucial
- Election Process: There were two candidates, Bar Sabas and Matthias, ultimately determined through prayer and casting lots

IX. Differences in God's Revelation Methods Between Old and New Testament Periods

Guk contrasted the different ways God revealed himself in the two periods:

- Old Testament Period: The Holy Spirit's revelation was relatively limited; people needed to understand God's will through external means like prayer and casting lots
- New Testament Period: With the Holy Spirit's coming, God dwells directly with people, making his intentions known through inner revelation

X. God's Sovereignty and Human Free Will

Regarding questions about God's sovereignty and personal free will, Guk provided in-depth explanations:

God's Omniscience Without Control

- God knows everything and possesses infinite wisdom and power
- But God does not control every decision, giving people free will
- People should not be viewed as tools controlled by God like machines

Human Role: Co-workers with God, Not Robots

- God chooses people as partners, not robots
- People must participate in God's work through prayer and following God's commands
- God transforms and reshapes people through the process of sanctification
- God does not want us to become automatic robots, but to grow through difficulties and experiences

The Process of Redemption and Sanctification

Guk emphasized that redemption is not merely an educational process, but requires sanctification and personal action to realize. He pointed out:

- God created children with free will and life, not robots
- God renews and forges life through difficulties and valleys in life (like the forging process of gold)
- The Christian's role is to be God's friend and co-worker
- Need to understand God's plan and heart through reading the Bible and prayer

XI. Perspective of Time and Eternity

Guk used a football game analogy to illustrate the difference between God and humans in the dimension of time:

- Humans are limited by time and need to strive hard in the "game"
- God transcends the time framework and knows the "game's" outcome
- But this does not mean people don't need to make effort in the process
- Life is a spiral upward process, with peaks and valleys, but the overall direction is upward,
