使徒行传 9:20 - 43

主要结论

本次查经聚会研读使徒行传第九章，涵盖扫罗（保罗）归信后的传道经历、在大马色与耶路撒冷所受的逼迫与逃脱，以及彼得医治以尼亚和复活多加两个神迹。核心信息是：**真实的归信必然带来生命的彻底改变与即时的行动**，扫罗的转变是最戏剧化的例证。两个神迹的记载重点不在神迹本身，而在于借此引领更多人信主，同时为第十章彼得向外邦人传福音埋下伏笔。

扫罗归信后的即时传道

- **归信后立刻传道**：扫罗在大马色路上遇见耶稣、生命翻转后，圣经记载他“立刻”开始在会堂里宣传耶稣是神的儿子，并没有等待长时间的学习或准备。
- **真实归信的标志**：立刻传福音本身即证明归信的真实性——只有真正经历生命改变的人，才会有那种压抑不住的热情去宣扬耶稣。
- **独特的信主经历**：扫罗的信主经历与一般人不同，是耶稣亲自向他说话，冲击力极大，使他充满喜乐与力量。
- **传道信息核心**：他所传讲的信息集中于“耶稣是神的儿子”与“耶稣是应许的弥赛亚”，并引用旧约圣经加以证明，听者无不惊奇。

扫罗性格的重新定向

- **归信前后的对比**：归信前，扫罗以极大热心逼迫基督徒，积极追捕信耶稣的人；归信后，他以同等的热心、同等的力量去传扬耶稣。
- **神没有改变他的性格，只改变了方向**：扫罗本性中认真、热情、全力以赴的特质没有改变，神只是将他的热心从错误方向引导到正确方向。
- **学识背景被神使用**：扫罗曾在迦玛列门下受训，相当于当时最高学术水平的门生，对旧约圣经有极深的造诣；归信后，这些知识储备成为他有力传道的工具。
 - 他能引经据典，将旧约预言与耶稣基督相连，使听者信服。
 - 新约大部分书信（福音书以外）实际上都是保罗所写。

逼迫、逃脱与谦卑的功课

- **双重逼迫压力**：扫罗在大马色传道约三年后，同时面临两方面的追杀——犹太人宗教领袖（法利赛人、撒都该人等）以及罗马管辖下的地方官府。
- **预先的心理准备**：耶稣在扫罗归信时已预先告知他将为主名受苦，因此扫罗对监禁、鞭打、饥饿等逼迫早有预备，并不感到意外。
- **用筐子从城墙逃脱**：门徒们趁夜将扫罗装在筐子里从城墙上缒下，使他得以逃脱——这是一种极为狼狈、谦卑的离开方式，而非光明正大地离开。
- **谦卑的功课**：
 - 扫罗出身高贵，学识渊博，社会地位显赫，但神借着这种狼狈的逃脱方式塑造他的品格，让他学习谦卑，俯伏在神的权柄之下。
 - 在哥林多后书中，保罗不以自己的背景夸口，而是以软弱为夸口，并将大马色城墙上被缒下的经历公开分享，说明“在我的软弱上显出基督的刚强”。

扫罗在耶路撒冷：巴拿巴的关键角色

- **三年后返回耶路撒冷**：使徒行传未说明具体时间，但其他书卷证明是三年后；扫罗试图与门徒结交，却因众人知道他过去逼迫基督徒的名声而心存疑惧，无人接待。
- **巴拿巴的介入**：唯有巴拿巴（其名意为“劝慰之子”）接待了他，并在使徒面前详述扫罗在大马色路上遇见主的经历，以及他三年间的传道见证，使扫罗得以融入门徒群体。
- **与希腊化犹太人的辩论与冲突**：扫罗在耶路撒冷放胆传道，并与讲希腊话（西利尼话）的犹太人讲论辩驳，这些人随即想要杀他。
 - **戏剧性的位置互换**：从前扫罗与这些人站在同一阵线迫害司提反；如今扫罗站在司提反曾站的位置，而这些人反过来要杀扫罗。
- **再次被护送离开**：弟兄们听闻阴谋，将扫罗护送至凯撒利亚，再打发他往大数去；扫罗也借此学习了接受他人帮助，认识到传福音不是靠一己之力，乃是与弟兄姐妹配搭。

大数的预备期与教会的平安

- **在大数的安静预备**：大数是保罗的家乡，他在此度过了一段时间，圣经未详述内容，推测是祷告、默想、研读圣经，为日后向外邦人传福音作准备。

- **教会经历平安时期**：扫罗离开耶路撒冷期间，犹太、加利利、撒玛利亚各处的教会得享平安，信徒人数大增，教会陆续建立。
 - **平安的原因**：教会之所以得平安，正是因为过去最主要的逼迫者扫罗已经归信，失去了敌对的领袖人物，逼迫自然缓和。
 - **巴拿巴再度出现**：后来同样是巴拿巴前往大数找到保罗，邀请他一同去安提阿事奉，开启了保罗更大的使命。
-

彼得的两个神迹：铺垫与桥梁

医治瘫子以尼亚

- **神迹内容**：彼得在吕大遇见瘫痪卧床八年的以尼亚，宣告“耶稣基督医好你了，起来”，他立刻起来。
- **宣告方式的意义**：彼得没有说“我医治你”，而是说“耶稣基督医好你了”——重心在于耶稣基督的名与能力，而非彼得自身。
- **神迹的目的**：第 35 节记载，凡住在吕大和沙仑的人看见了，都归服主——神迹的目的是引领更多人信主，而非神迹本身。

复活多加（大比大）

- **神迹内容**：约帕的女门徒多加（多加意为“羚羊”）患病而死，彼得赶到后，叫众人出去，跪下祷告，呼叫她的名字，她便复活。
 - **多加的门徒榜样**：多加不是讲道者，也不在领袖位置，但她“广行善事、多施周济”，因实际的爱心备受众人尊敬与喜爱——这是另一种门徒的样式，即默默忠心服侍的平信徒。
 - **效法耶稣的行事方式**：彼得复活多加的过程与耶稣使睚鲁女儿复活的场景极为相似——叫众人出去、跪下祷告、呼叫名字、领出来交给家人——彼得是在效法耶稣所行的。
 - **应验耶稣的应许**：耶稣曾应许门徒“信我的人，也要做我所做的事，并且要做比这更大的事”，彼得所行的神迹正是这一应许的成就。
 - **神迹的结论**：第 42 节记载这事传遍约帕，许多人信了主——再次印证神迹的目的是引人归主，而非彰显神迹本身。
-

彼得住在硝皮匠西门家：重要伏笔

- **表面不重要，实则关键**：彼得选择住在约帕的硝皮匠西门家中，而硝皮匠的工作（处理动物皮革、接触血）按犹太律法属于“不洁净”的职业。

- **为第十章预备：**这一细节是神一步一步引导彼得突破犹太传统观念的开始——使他逐渐准备好进入外邦人哥尼流的家中传道，因为在犹太文化中，与外邦人交往同样被视为不洁。
- **神循序渐进的引导：**神在彼得进入外邦人家庭之前，先通过住在不洁净职业者家中、再借天上的异象（第十章），一步步改变彼得有限的认知，说明“神看为洁净的就是洁净的”。

关于神迹的讨论：为何早期教会神迹较多？

问题由与会者提出：为什么早期教会神迹很多，现今却似乎很少？讨论要点如下：

- **早期教会没有新约圣经：**当时信徒无法通过完整的圣经认识神，主要靠口头传讲；神借神迹奇事更直观地彰显自己，建立并坚固初代教会。
- **神根据处境与需要工作：**
 - 在西方文明程度高的地区，神迹记录较少；在非洲、东南亚等地区，因文化背景对灵界较为敏感，神迹的见证相对较多。
 - 个人性的神迹（非戏剧化但违反常理的经历）在今天仍然存在，只是定义与表现形式不同。
- **神迹本身不能改变人心：**
 - 耶稣斥责那些单为神迹而跟随他的人；神迹只是开门的工具，真正改变人的是神的话语与真理。
 - 以色列历史为证：神行了分红海、降吗哪等大神迹，以色列人仍然不信——可见神迹不能带来真实的信心。
 - **最大的神迹**是一个人整个信仰体系的改变——从无神论到相信耶稣基督，这才是最难、最真实的神迹。
- **神迹的正确定位：**神迹是神所用的工具与方法，目的是启示自己、引人归主；信心应当建立在神的话语上，而非建立在神迹之上。

Logos Meeting

Acts 9:20 - 43

Main Conclusions

This Bible study session examined Acts Chapter 9, covering Saul's (Paul's) preaching experiences after his conversion, the persecution and escapes he faced in Damascus and Jerusalem, and Peter's two miracles of healing Aeneas and raising Dorcas. The core message is: **True conversion inevitably brings complete life transformation and immediate action.** Saul's transformation is the most dramatic example. The record of the two miracles focuses not on the miracles themselves, but on leading more people to faith in the Lord, while also foreshadowing Peter's preaching to the Gentiles in Chapter 10.

Saul's Immediate Preaching After Conversion

- **Immediate preaching after conversion:** After Saul encountered Jesus on the road to Damascus and experienced life transformation, Scripture records that he "immediately" began proclaiming Jesus as the Son of God in the synagogues, without waiting for extended study or preparation.
 - **Mark of true conversion:** Immediate evangelism itself proves the authenticity of conversion—only those who have truly experienced life change will have that irrepressible passion to proclaim Jesus.
 - **Unique conversion experience:** Saul's conversion experience differed from most people's, as Jesus personally spoke to him, creating tremendous impact and filling him with joy and power.
 - **Core message of preaching:** His preaching focused on "Jesus is the Son of God" and "Jesus is the promised Messiah," using Old Testament Scripture as proof, leaving all listeners amazed.
-

Redirection of Saul's Character

- **Before and after conversion contrast:** Before conversion, Saul zealously persecuted Christians, actively hunting down believers in Jesus; after conversion, he proclaimed Jesus with equal zeal and equal strength.
- **God didn't change his character, only his direction:** Saul's inherent traits of earnestness, passion, and wholehearted commitment remained unchanged; God simply redirected his zeal from the wrong direction to the right one.
- **Educational background used by God:** Saul had been trained under Gamaliel, equivalent to the highest academic level of that time, with profound knowledge of the Old Testament; after conversion, this knowledge became a powerful tool for his preaching.
 - He could cite Scripture extensively, connecting Old Testament prophecies with Jesus Christ, convincing his listeners.
 - Most of the New Testament epistles (outside the Gospels) were actually written by Paul.

Persecution, Escape, and Lessons in Humility

- **Double persecution pressure:** After preaching in Damascus for about three years, Saul faced simultaneous threats from two sides—Jews and civil authority.
 - **Prior mental preparation:** Jesus had forewarned Saul at his conversion that he would suffer for His name, so Saul was prepared for imprisonment, beatings, hunger, and other persecutions, and was not surprised.
 - **Escape in a basket from the city wall:** Disciples lowered Saul in a basket through an opening in the wall at night, enabling his escape—this was an extremely humiliating and humble way to leave, rather than departing openly and honorably.
 - **Lesson in humility:**
 - Saul came from noble birth, was highly educated, and held prominent social status, but God used this humiliating escape to shape his character, teaching him humility and submission to God's authority.
 - In 2 Corinthians, Paul boasts not of his background but of his weaknesses, openly sharing his experience of being lowered from the Damascus wall, saying "in my weakness, Christ's strength is displayed."
-

Saul in Jerusalem: Barnabas's Critical Role

- **Return to Jerusalem after three years:** Acts doesn't specify the exact time, but other books confirm it was three years later; Saul tried to join the disciples, but because everyone knew his past reputation of persecuting Christians, they were afraid and no one received him.
 - **Barnabas's intervention:** Only Barnabas (whose name means "son of encouragement") received him and testified before the apostles about Saul's encounter with the Lord on the Damascus road and his three years of preaching, enabling Saul to be accepted into the disciple community.
 - **Debate and conflict with Hellenistic Jews:** Saul preached boldly in Jerusalem and debated with Greek-speaking (Hellenistic) Jews, who immediately sought to kill him.
 - **Dramatic role reversal:** Previously, Saul had stood with these people in persecuting Stephen; now Saul stood where Stephen had stood, and these people turned against Saul.
 - **Escorted away again:** When the brothers learned of the plot, they escorted Saul to Caesarea and sent him to Tarsus; Saul also learned to accept help from others, recognizing that evangelism is not done by one's own strength alone, but in partnership with brothers and sisters.
-

Preparation Period in Tarsus and Peace for the Church

- **Quiet preparation in Tarsus:** Tarsus was Paul's hometown, where he spent a period of time; Scripture doesn't detail the content, but it's presumed he prayed, meditated, and studied Scripture, preparing for his future mission to the Gentiles.
 - **Church experiences period of peace:** During Saul's absence from Jerusalem, the churches throughout Judea, Galilee, and Samaria enjoyed peace, with believers multiplying and churches being established.
 - **Reason for peace:** The church enjoyed peace precisely because Saul, the primary persecutor, had converted; having lost their antagonistic leader, persecution naturally subsided.
 - **Barnabas appears again:** Later, it was again Barnabas who went to Tarsus to find Paul and invited him to serve together in Antioch, launching Paul's greater mission.
-

Peter's Two Miracles: Foundation and Bridge

Healing the Paralytic Aeneas

- **Miracle content:** Peter met Aeneas in Lydda, who had been paralyzed and bedridden for eight years, and declared "Jesus Christ heals you, get up," and he immediately arose.
- **Significance of the declaration:** Peter didn't say "I heal you," but "Jesus Christ heals you"—the focus was on the name and power of Jesus Christ, not on Peter himself.
- **Purpose of the miracle:** Verse 35 records that all who lived in Lydda and Sharon saw this and turned to the Lord—the purpose of the miracle was to lead more people to faith, not the miracle itself.

Raising Dorcas (Tabitha)

- **Miracle content:** Dorcas (meaning "gazelle"), a female disciple in Joppa, became ill and died; when Peter arrived, he sent everyone out, knelt down and prayed, called her name, and she came back to life.
- **Dorcas as a disciple example:** Dorcas was not a preacher nor in a leadership position, but she was "always doing good and helping the poor," and was respected and loved by all for her practical love—this is another type of discipleship, the faithful lay believer serving quietly.
- **Imitating Jesus's way of acting:** Peter's process of raising Dorcas closely resembled Jesus raising Jairus's daughter—sending everyone out, kneeling in prayer, calling her name, bringing her out and presenting her to the family—Peter was imitating what Jesus had done.
- **Fulfilling Jesus's promise:** Jesus had promised His disciples "whoever believes in me will do the works I have been doing, and they will do even greater things than these"; the miracles Peter performed were the fulfillment of this promise.
- **Conclusion of the miracle:** Verse 42 records that this became known all over Joppa, and many people believed in the Lord—again confirming that the purpose of miracles is to lead people to the Lord, not to display the miracles themselves.

Peter Staying at Simon the Tanner's House: Important Foreshadowing

- **Seemingly unimportant, actually crucial:** Peter chose to stay at the house of Simon the tanner in Joppa, and the tanner's work (processing animal hides, contact with blood) was considered "unclean" according to Jewish law.

- **Preparation for Chapter 10:** This detail was the beginning of God gradually guiding Peter to break through traditional Jewish concepts—preparing him to enter the Gentile Cornelius's home to preach, as associating with Gentiles was also considered unclean in Jewish culture.
- **God's progressive guidance:** Before Peter entered a Gentile household, God first had him stay in the home of someone with an unclean occupation, then through the vision from heaven (Chapter 10), step by step changed Peter's limited understanding, showing that "what God has made clean, you must not call unclean."

Discussion About Miracles: Why Were There More Miracles in the Early Church?

Question raised by participants: Why were there many miracles in the early church, but they seem rare today? Discussion points as follows:

- **Early church had no New Testament:** At that time, believers couldn't know God through complete Scripture, relying mainly on oral proclamation; God used miracles and signs to reveal Himself more directly, establishing and strengthening the early church.
- **God works according to circumstances and needs:**
 - In highly civilized Western regions, miracle records are fewer; in Africa, Southeast Asia, and other areas, because cultural backgrounds are more sensitive to the spiritual realm, testimonies of miracles are relatively more common.
 - Personal miracles (non-dramatic but contrary to natural law experiences) still exist today, just with different definitions and manifestations.
- **Miracles themselves cannot change hearts:**
 - Jesus rebuked those who followed Him only for miracles; miracles are just door-opening tools, what truly changes people is God's Word and truth.
 - Israel's history proves this: God performed great miracles like parting the Red Sea and providing manna, yet the Israelites still didn't believe—showing that miracles cannot bring true faith.
 - **The greatest miracle** is the transformation of a person's entire belief system—from atheism to believing in Jesus Christ; this is the most difficult and most real miracle.
- **Proper positioning of miracles:** Miracles are tools and methods God uses, with the purpose of revealing Himself and leading people to Him; faith should be built on God's Word, not on miracles.
